(a) Instructor’s name: Dr. Mariusz Urbański.

(b) Office room number: GAB 471AA; ph.: (940) 565 - 3323; e-mail: urbanski@unt.edu; web: http://www.math.unt.edu/~urbanski.

(c) Office hours: Tuesdays and Thursdays: 1.00 P.M. - 3.00 P.M.
(d) Students unable to see me during my office hours may request an appointment.

(e) The course number: MATH 2510.001. Prerequisite: MATH 1720.

(g) No make up test is possible unless either you have doctor’s certification that you were sick and because of this you were not able to take the test or you have another legitimate reason which must be checked with me in advance.

(h) There will be 2 tests: Oct. 19, 2006 and the final test Dec. 14, 2006, 10:30 A.M. - 11:30 A.M (in our classroom).

(i) The material for each test will be determined one week before the test.

(j) The middle term test will be for 200 points. 100 points in class and 100 points take home. The final test will be for 200 points.

(k) Homework will consist of four problems out of each section covered.

(l) Grading policy: homework will contribute 20% and tests 80%.

(m) Students on-line evaluations of teaching are mandatory for passing. You can fill out the evaluation form on-line anytime between November 27, 2006 and December 15, 2006.

(n) “It is the responsibility of students with certified disabilities to provide the instructor with appropriate documentation from the Dean of Students Office”.

(o) Any student found guilty of cheating will be dismissed from the course.
